Notes

- age groups are as used by PRR for the Championship - MS, M40, M50, M60, FS, F40, F50, F60 - thus in 10-yr increments and not the 5-yr gaps often used by the races themselves.
- we only award trophies up to M60 and F60 inclusive; runners in older categories see their category shown in brackets but are eligible only for M60 or F60 silverware.
- age group shown for each athlete is determined by that which applies on date of first race of series - this then applies to the whole series.
- points are awarded on the basis of race finish position and thus on GUN time.
- however, times shown are CHIP time so that runners can use this table to see their true times for the season's races and distances.
- consequently, points awarded may not be in order of time shown.
- total points are amassed from a runner's best SIX scores across the 8 prescribed races.
