

Results Display Application

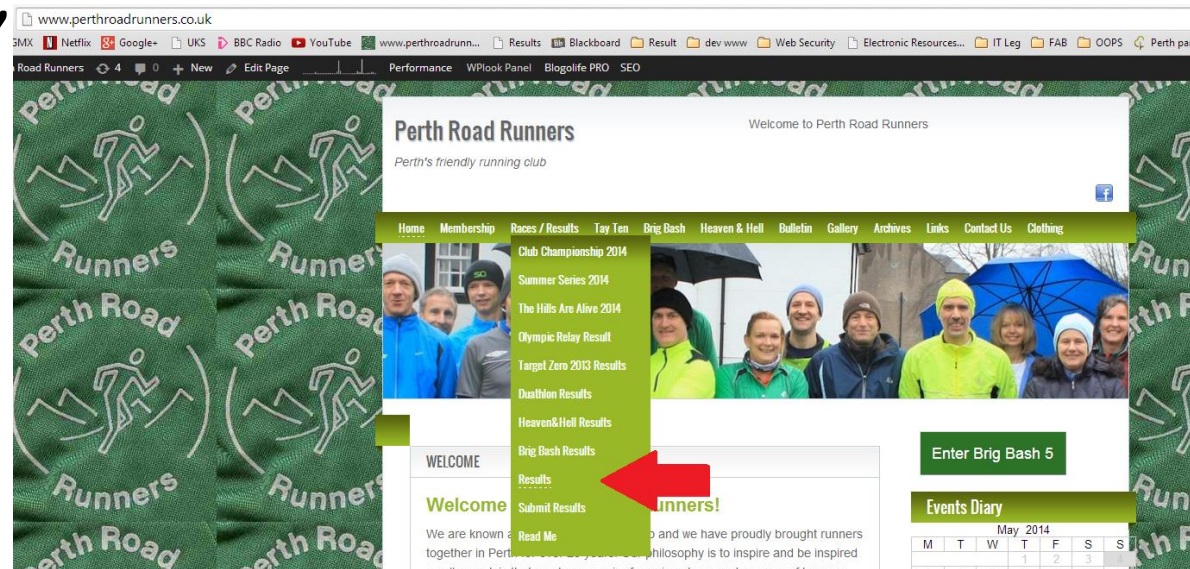

Instruction Manual
For Users of the application

Hardware and Software Requirements

- Hardware:
 - Desktop PC, Tablet or Smart Phone
 - Internet Connection
- Software:
 - Internet Explorer 6 or later
 - Equivalent version of other browser (Safari, Chrome, Firefox etc.)

Starting Application

- Option1:
 - Open browser and type in the address bar: <http://perthroadrunners.co.uk>
 - From Main Menu Item: “Races/Results” select “Results”

- Option2:
 - Search For Perth Roadrunners Club with a search engine
 - Follow the link to the main website
 - Select “Results” as explained under Option1
- Option3:
 - Open Browser and type:
<http://perthroadrunners.co.uk/result/index.php>
 - Or click on the address above.
 - For easier access save the URL as a bookmark/favourite

Close Application

- On any page of the application click “Home” to close the application and return to the main website of the running club.

- Or just close your browser, or navigate to any website.

INDEX

- This page can be accessed from any page of the application by clicking on the “INDEX” link.

Select Year

- The default selection of the year is the present one.
- You may select any year from the first year we keep records of (at present from 2013) till the present year.
- This selection applies to all tables or searches in the application.

Display Tables (Charts)

- Choose from the four available charts:
 - Championship
 - Summer Series
 - The Hills Are Alive
 - Marathon
- Click on “Men” or “Women” under the corresponding heading to display the chart.
- Tables will be explained in a later chapter.

Search Runner

1. Select between forename or surname according to what part of the name you wish to search for.
2. Type the name in the search term box.
3. Press the “Search Runner” button.

Notes:

- If neither forename or surname is selected or the search term box is left empty, an error message will prompt the user to provide these information.
- The search is NOT case sensitive, however only exact matches will be shown.

[INDEX](#)

- Position and Points Earned only apply to races which are included in an organised series.
- Press “Index” to return to the main menu.

Search Race

- Type the name of the race or any part of it in the search term box.
- Press the “Search Race” button

A screenshot of a search interface. It features a light blue background. On the left, the text "Enter Keyword" is displayed in a blue font. To its right is a white text input box containing the word "test" in a red font. Further to the right is a grey button with the text "Search for Race" in a blue font. The entire interface is enclosed in a thin grey border.

- Notes:
 - The search will return all races whose name contains the given search term.
 - The search is NOT case sensitive
 - If the search term box is left empty, an error message will prompt the user to enter a search term.

Race Search Result

- From the search results, select the race and the gender you wish to view.
- Each option shows the full name, date and type(distance) of the race.

Choose Race to View Results

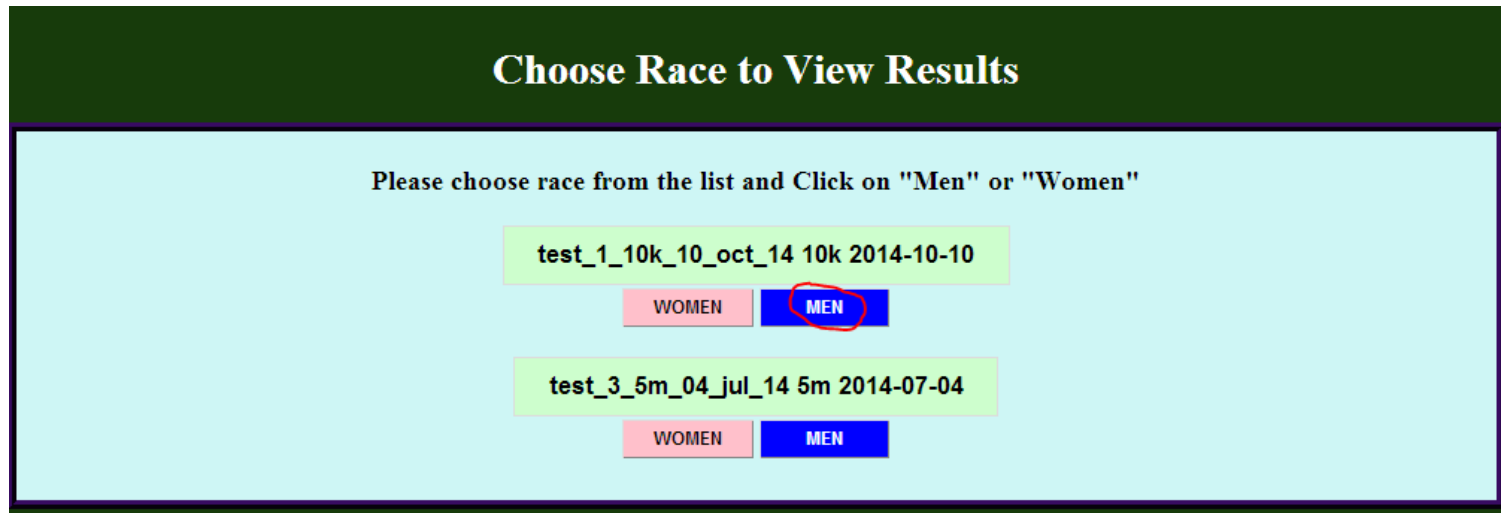

Please choose race from the list and Click on "Men" or "Women"

Age Category – Gender – Distance Table

- Select one from the standard distances (10k)
- Choose an Age Category (Veteran)
- And click on the gender to view the chart

A screenshot of a web form interface. It features three dropdown menus and two buttons. The first dropdown menu is labeled '10K'. The second dropdown menu is labeled 'Veteran'. The third dropdown menu is currently open, showing two options: 'WOMEN' and 'MEN'. The 'WOMEN' option is highlighted with a red circle. The 'MEN' option is highlighted with a blue background. The entire form is set against a light blue background.

- Note: If the user omits to select distance or age category, an error message will prompt them to make a selection.

- Only the best finish counts for each runner
- The age category of the runner on the date of the race. If the runner moved up an age category during the season, that runner may be found in both age category according to their age on the date of the race.
- Those members who have not provided their date of birth for this calculation, will be automatically classed as “Senior”.

- Position: According to ascending order of Best Finish
- Name
- Best Finish: The shortest time the runner has finished a marathon in the selected year.
- Venue: Place or name of the race where the runner achieved their best finish time.

Submit Result

- If the user wishes to submit a result from a race not included in a series, or
- If the user finds incorrect results shown.
- Click On “Submit or Query Result”.
- Fill in and submit the word press form.
- Allow 10 days for the administrator to verify your result or query and provide you feedback via email.

- Click Submit Result

The screenshot shows a web interface for race results. At the top, the word "RESULTS" is centered in white on a dark green background. Below this, a light blue area contains a year selector set to "2014". Underneath are four race categories: "CHAMPIONSHIP", "SUMMER SERIES", "THE HILLS ARE ALIVE", and "MARATHON". Each category has two buttons: "WOMEN" (pink) and "MEN" (blue). A "Search" section follows, featuring a "Search For:" dropdown, an "Enter Keyword" input field, and two buttons: "Search for Runner" and "Search for Race". Below the search fields are "Select Distance" and "Age Group" dropdowns, and "WOMEN" (pink) and "MEN" (blue) buttons. A large dark green button with white text reads "Submit or Query Result". At the bottom left, there is an "Admin Login" section with "Username:" and "Password:" labels, two input fields, and a "Login" button. A "HOME" link is located at the bottom left of the page.
