1. Welfare Officer:

- Committee welcomed Jo as new Club Welfare Officer (WO/CWO).
- PVG checks in motion for Committee members, new SA legislation for regulated positions to be PVG checked.

2. Membership (MC on behalf of CB):

- 172 members, 6 juniors, slower membership uptake than last year and a different demographic.
- **ACTION:** Mark to approach Perth parkrun to see about carrying out more frequent promotion of the club for new members, not a full takeover just a greater presence at events every quarter.

3. Membership Fee:

- Discussion surrounding reasons for holding and increasing, points raised included: increasing value of the club to members for increased engagement, increasing costs for those participating in track and XC, maintaining affordability, and holding contingency in case of anything unexpected.
- Vote held for fee increase:
 - o Raise - |
 - o Partial Raise - |||
 - o Hold - ||||
- Remain as is for just now, club doesn't need extra money.

4. Coaching Update (MC on behalf of RW):

- Going well, good attendance at training sessions
- Will lose Lucy at end of summer for university.
- Could always do with more coaches.

5. TT/BB Update:

- Everything in order for BB, just need to keep encouraging people to bring food on the day.

6. Mob Match & Internal Events:

- Still no route set for Mob Match, awaiting news from KRR, date remains 19th August
- Target Zero (Clive Bowman), Bertha Park Relays (Kristen Bain), Duathlon (Richard Hughes & Caroline Hogarth) all in hand, reminder to include in MailChimp

7. Kit Clothing (Finlay Dale):

- Race kit (vests and T-shirts) ordered and printed, should be dispatched soon for delivery end of June.

8. PRR 40th Year Celebrations:

- Keep it simple, will reach out to club members to get idea of what people would like to do, and if it would be worth organising something.
- Need to find a venue if going with dinner/ceilidh, Loch Leven's Larder a possibility.
- **ACTION:** Mark to keep pushing KRR and canvass opinion in PRR.

9. IT & Website (Tom Rhodes):

- Will remove old documentation with passwords written down.
- Easy to reset if needs be.

10. Club Standards:

- **ACTION:** Ronnie to do maths with marathon time for next meeting for Committee to review options for changing Standards on that one distance.

11. Champs, SS and HAA (Alan):

- All going well, good numbers within the Summer Series.
- Reminder included in MailChimp

12. North Inch Golf Course and TT (Mark)

- Concern continues after a TT runner was struck by a golf ball from the North Inch Golf Course (also other known strikes). The Committee is seeking a meeting with PKC/NIGC to seek significant measures to improve runner/walker/etc safety.

13. MailChimp:

- Race Series reminder
- Internal events
- Club kit delivery soon
- Mob match recce ??

14. Next meeting – September – Mark will contact Comm to arrange date
