

PRR CROSS-COUNTRY – LADIES’ SECTION – SEASON 2024-2025

The season 2024-2025 saw 9 events and 15 ladies representing PRR in at least one National or Regional event. Enthusiasm has been huge and results very dignified, the highlights being: a 4th place for our Masters Team in the National Relays at Cumbernauld (in running order Keri Weatherhogg, Fabienne Thompson, Liz Johnston) as well as a superb outcome in the East League series after 3 meets, with the Senior ladies placing 6th /22 and the Masters 3rd/16 with Rose Ryan, Paige Brown, Keri Weatherhogg, Liz Johnston, Lynn Gatherer, Diane White, Fabienne Thompson and Tracy Wilkinson Begg all scoring for one and at times both categories (Masters can score for Senior Teams).

At the time of writing, and after two events, 13 ladies have already embraced the new 2025-26 season, with an encouraging start of 4 ladies teams at the East District Relays, this being a promising and unprecedented turnout for PRR ladies.

The total number of members earning the PRR Cross-Country participation medal, ie taking part in at least 4 events the season [as mentioned here](#), is four. Congratulations to Paige Brown, Fabienne Thompson, Sue Bothwell and Fiona Manson on that achievement.

Fabienne Thompson, PRR Ladies XC Captain, October 2025
