

PRR Membership annual report 2024/25

Membership fees were kept at £15 again for adults and £10 for Juniors (16- and 17-yr-olds) for the 2024/25 season. As it will be for the 25/26 season.

Overall membership has been slightly less than last year but still healthy. It reached a peak of 199 in late October, just shy of last year's peak of 204. We had a total of 191 adults, 10 less than the 201 we had in 2023/24. Junior membership availability started in April 2024, and membership climbed from 3 in 2023/24 to 8 in 2024/25.

55 members did not renew from 2023/24, 47 new adult members joined in 204/25, and 145 existing adult members rejoined. This level of turnover of members is consistent with last year: 45 leavers, 51 new and 150 rejoined.

Following the renewal date at the end of October 2024, total membership numbers were quickly back up to 144 for last year's AGM (closely matching the rejoining number above) and climbing with new joins to 150 by the start of January 2025, 170 by May, 180 by August and 186 by early October.

If you have not rejoined yet for the 25/26 season, please do so to allow you to participate in PRR events, and please remember to tick the gift aid box if you pay any income tax.
