Course Measurement Secretary - Scotland

This certificate confirms that the length of the above road race has been established by an accredited AUKCM measurer employing the method of a bicycle calibrated with a "Jones Counter". This Certificate of Course Accuracy is valid only for the race held on the date or dates specified. If the course is exactly the same then this Certificate may be renewed for subsequent race dates up to the 10th anniversary of the original measurement date. Any modifications to the course, however minimal, will nullify this Certificate and require a new measurement to be undertaken.

**This Certificate must be accompanied by a valid Scottish Athletics licence. Without one, it is invalid and any race times will be excluded from Power of 10 rankings.**
